HEAD TEACHER Mrs K Wood
Date 17 November 2021

Dear Parent/Carer

ACTION TO BE TAKEN IN THE EVENT OF ADVERSE WEATHER 2021 / 2022

I am writing to update you on our arrangements for school closure in the event of adverse weather this year.

The school is guided by the transport operators who will advise whether or not they are able to transport pupils safely to school. The final decision on whether it is safe to operate rests with the driver of the school transport vehicle. Please note the guidelines issued by Highland Council regarding the responsibility of parents or carers.

The council service number should be used by parents to find out if the school is closed. **The school will not be contacting parents directly unless the closure takes place during the school day.** The telephone service will be updated by the school as early as possible. There will also be information on the Highland Council Schools Closure Website - <http://www.highland.gov.uk/schoolclosures>. Wherever possible the school will update the North Coast Campus facebook page - <https://www.facebook.com/North-Coast-Campus-208036079919426/>

A copy of this information is on Farr High School Website.

Yours sincerely

Katherine Wood
Head Teacher
